Forwards a copy of letter No. 328 of 20th April '14 from the Revenue Commissioner, Forest Settlement Officer, representing that as he cannot be treated as an Asst. discussed at length by the officers (then & now)
It was finally resolved in Council that no
case had been made out to give retrospective
effect to Mr. C. Venkatarao's application for
promotion. Taking into consideration that at
the time Mr. Venkatarao was appointed the
pay was reduced but not the scale
itself abolished & taking into consideration
that the Govt had distinctly held that future
promotions were considered it is perhaps
not wise of the Govt to have expected some
increase to salary had Mr. Venkatarao now
remained in the post he held & going
out. His outdoor work too has been
well spoken of. In these circumstances
it is for consideration whether some
compensation in the shape of post allowance
should be given for the period he has spent in the
grade of the Dept & the last 7 years
waiting he had had been appointed as
an Assistant. For to be a Deputy perhaps

Office of the Forest Officer, ...

Dated Bangalore, ...

My dear Sir,

In addition to my duties as Forest Officer, ...
Officer, I was asked by Government to help the Agricultural
Committee of the Economic Conference by taking up such work
as the General Secretary of the Economic Conference, ...
... (vide para 4 of G.O.No.7756-9/Ft.27-12-30 dated
18th June 1930. The latter officer accordingly assigned to me
the work of popularizing the scheme of the Agricultural
Committee, relating to the creation of large landed estates
in the province. In my tours, I explained to the assembled
ryots the details of the said scheme and the advantages
arising from the formation of large self-contained farms, and
was able to obtain 9 applications for that, which I have
forwarded to the Secretary to the Agricultural Committee.
With a view to ensuring success of the scheme, I have also

submitted certain proposals, which I understand, have been placed before the Government.

I forgot to mention in my memorial, dated ---
20th April 1914, the special work I have done for the -----
Agricultural Committee. May I request you to bring this ^{work} _{to}
the notice of ^{the} Government?

Yours sincerely,

In his d.o. dated 2/6. Mr C. Venkata Rao, Forest Settlement
Officer briefly explains the work done by him in regard to
the programme of business undertaken by the Economic Conference.
His work as a F. Settlement Officer is well appreciated. But
good work is not the real basis of his representation.
He has doubtless suffered in prospects owing to the time
taken for settling the position of the Registrar of the
G. R. S. and I answer that his representation that
he is not responsible for the delay and that he might
not therefore be visited with the consequences of delay,
is reasonable.

Mr. C. Venkatasao was accounted for
7th Sept '06 as being on furlough on Rs 225
month to 250 on 7th Sept '07. He went out
as 7th Settlement Officer on 10/9/07. He may
have perhaps moved for a residence when
a Council Resolution is confirmed.
He came to the office. After he went away
as 7th Settlement Officer he came back
the question but probably he thought something
had been done in consequence of his good work
and in Jan '13 the Reg's order was issued
in the cadre of 1st class. After that decided
in 1907 the further prospects of the Reg.

the max pay of the Reg. on the old scale &
the max of the 1st class, he would have
have been drawing in Sept 13, Rs 400.
Whereas he became a 1st class on 25-

think that some part of it is in error.

that such delay has affected Mr. V. Rao's

can be no absolute finality about such

25(1) These papers relate to the application of Mr. C. Venkat Rao, B.A., now Vice-President, Bangalore City Municipality, praying that the local allowance of Rs. 150/- which he was drawing as Forest Settlement Officer, may be treated as personal allowance.

(2.) Mr. Venkat Rao was appointed as Registrar of the General and Revenue Secretariat on 6th September 1906 on a starting pay of Rs. 225/- rising after a year's approved service to Rs. 250/- and the question of granting further additions thereto by way of increment, was reserved by the Council for consideration later on. (This was not decided by Government until January 1913, when the appointment of the Registrar was merely brought on the Civil Service cadre).

L

(3) On 12th August 1909 he was appointed temporarily as Forest Settlement officer on his own pay of Rs. 250/- per mensem with a local allowance of Rs. 100/- per mensem, enhanced later on to Rs. 150/- with effect from 7th September 1912.

Paper under
disposal

(4.) Mr. Venkat Rao complains that he has been obliged to remain on a pay of Rs. 250/- for a period of nearly 7 years, and that he has been undeservedly superseded by some officers mainly in consequence of his status not having been fixed earlier. He therefore prays that if he cannot be treated as an Assistant Commissioner with effect from the date of his appointment as Registrar the local allowance of Rs. 150/- sanctioned to him as Forest Settlement Officer, may be treated as personal allowance.

(5.) There is some force in the representation made by Mr. Venkat Rao. The question of further addition to his pay as Registrar, reserved in 1906, was not decided until 1913. The Tabular Statement prepared in the office shows that a few officers have gone above him in the course of the past seven years.

B.

Page 9 of
Office note.

(6.) The matter was considered in Council on the 2nd September 1914. The Council are of opinion that a personal allowance of Rs. 50 per mensem may be sanctioned to Mr. C. Venkat Rao until he reaches the next higher grade. This allowance along with the municipal allowance of Rs. 100/- per mensem will bring his total emoluments up to the amount he was drawing as Forest Settlement officer. The Financial Secretary acquiesces in the recommendation of the Council.

Letter No.328 dated Bangalore, the 20th April 1914 from the Forest Settlement Officer in Mysore, to the Secretary to the Government of H.H. the Maharaja of Mysore, General and Revenue Departments Bangalore, (through the Revenue Commissioner).

X

M -

I beg to acknowledge receipt of your letter No.G.2147/G.M.66-13-15 dated 5th September 1913 conveying to me the orders of Government passed on my memorial dated the 27th June 1913, re my promotion stating that no good case had been made out to sanction either of my requests.

2. I crave permission to briefly refer to the chief consequence of this decision in regard to my prospects. It virtually means I am to remain on my pay of Rs 250/- for nearly 10 years, before I can hope to get the first increment of Rs 50/- and this in spite of the fact that my services in the capacities of both as Registrar and Forest Settlement Officer have been fully appreciated.

3. According to the order of Government relating to the reorganisation of the General and Revenue Secretariat in 1904, the Registrar was placed in a special grade carrying a pay of Rs 300-30-600 while under the revised Mysore Civil Service Rules he is classed as an Assistant Commissioner. I respectfully beg to ask whether it will be considered too much or inappropriate to treat the officer who filled the Registrar's post during the interval between 1906 and 1913, as at least an Assistant Commissioner.

4. There need be no apprehension that such a treatment accorded to me, would involve prejudicial supersession in regard to others. My retirement from the public service will fall due before I can reach the maximum pay of an Assistant Commissioner viz: Rs 450/- as I am already 46 years old.

5. There has been no delay on my part in urging my claims for promotion. Soon after I joined my duties as Forest Settlement Officer, I submitted my application for promotion, but no orders

have yet been passed on it by Government; and in all fairness I ought not to be held responsible for the delay in settling the status of the Registrar.

6. If, notwithstanding these circumstances it be held that such a treatment of my case is inexpedient, I beg, that, as my appointment as Special Forest Settlement Officer will cease by the end of June, Government may be pleased to treat as personal allowance the local allowance of Rs 150/- I have been drawing as Forest Settlement Officer, in consideration of both the general features of my case and the good work I have done in the Settlement of Forests.

I beg to enclose herein for kind perusal a comparative statement showing the Forest Settlement work done by the various officers since the creation of the office of the Special Forest Settlement Officer.
